The November 2007 meeting of Skystreakers R/C was called to order at 7:00pm by President, Nelson Frost. Thirteen members attended the meeting.

**Nelson** read the Treasurer's Report for Dave, who could not attend due to a scheduling conflict.

**I** read the Secretary's report at the meeting. Both reports were accepted as read.

**Nelson** had a list of items that Bruce Morse was putting on the website. The list is as follows:

Dynaflite P-51 40 size kit \$ 50.00

Supertigire 61 ringed excellent \$ 50.00

O.S. 129 Flat Twin SN 1503 (new - in box) cost \$600.00, will sell for \$ 450.00

You can contact Bruce if interested.

**Nelson** brought in the Piper Cub that was donated by Jim Beach's widow. Nelson hopes to raffle / sell the Cub and purchase a club trainer in the form of a Great Planes F22 RAPTOR.

**There** was no new business to report.

**Ray** reported that our participation in the New Gloucester Fair event was a success, and we should plan to do it next year also, and on Saturday, because of the larger attendance at the fair.

**Charlie** Nelson brought in a nice little Cessna 195 built from a TOP Notch Products kit, to capture the plane of the month honors. It was electric powered.

**The fuel** raffle was won by Bruce Morse and Ted McKibben.

Respectfully submitted,  
Mac McLaughlin, Secretary

From the President,

This meeting is the Holiday Party Meeting. Bring some goodies to share. There will be only essential business carried on. It is a great time to bring along an airplane you have finished or are working on. We will have plane of the month competition and fuel raffle. The drawing for 2 cash prizes are up for grabs so come to the meeting and put your ticket in the nut can even if it's the only one this year, you could still win the \$. Thank you to Bruce Morse, the outgoing field marshal. We appreciate all the hard work and dedication you had to the club. Happy travels. Also, Welcome to new club officers, Allan Mendenhall and Joe McVay. I am looking forward to working with you. Welcome back, too, to Mike Ladd who is eager to get back involved with novice training next year. I am sure Dave Martin will appreciate some of the load being lifted.

Hope to see you at the meeting,

Nelson Frost
