From the President

Hi All. I have been told that the training committee will be bringing the new plan for next year to the table for review and vote at the next meeting. I think that some very good ideas have been put out there and it would be a good meeting to attend if you can. Your input and support is needed. Let your voice and vote count. There should also be some dates coming in soon for next year's events.

I have been getting hit hard with junk mail on my Nelson@skystreakers.org and info@skystreakers.org accounts so I deleted them. I am using NelsonF now instead.

We have finally got some cold weather to make ice. Southern Maine is still sketchy though, so if you venture out on the ice for winter flying, fishing or fun, be very careful and check local conditions. Swimming is fun but not this time of year outside. The next club meeting is listed below. Hope to see you there.

Nelson Frost

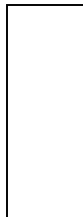

2007 SKY STREAKERS EVENTS CALENDAR

February 8	Regular Monthly Meeting Amvets Hall, New Gloucester, ME 7PM
March 8	Regular Monthly Meeting Amvets Hall, New Gloucester, ME 7PM

**Don't forget Febuary 14 th
Happy Valentines Day**

Take a kid
flying.
**Start
something.**

This is the next to last newsletter (notification) you will receive if you haven't renewed your membership for 2007 yet. Remember that March 31, 2007 is the last day of the grace period. After that, you will no longer have the current combination to the gate lock at the field and will no longer have access to the members section of the website. If you renew past the deadline, the \$10 initiation fee will apply, no exceptions. Thanks for renewing on time and enjoy the benefits of continued club membership.

The January 2007 meeting of Skystreakers R/C was called to order at 7:00 pm by President, Nelson Frost, with 16 members present.

Nelson started with the treasurers report as Dave was not present. The report was accepted as submitted.

OLD BUSINESS

The regulatory requirements of non profit status of the club was brought up by Nelson, with discussion concerning what the requirements are and who has done the paper work in the past , if any is required.

We received a card from Mrs. Waterman for the Christmas arrangement we sent.

It was agreed by the members to renew the free membership to the club for Carla and Eric Waterman.

NEW BUSINESS

It was stated that Peter Flannagan would like to have a Winter Fun Fly at the field on February 18th, providing the snow doesn't get deep by then.

Ray Labonte stated that he had been approached by one of the Proprsappers about renewing the Guest membership at the field for this coming season, if their field still wasn't ready. It was agreed to allow use on a temporary beginning of the season only basis, but Skysteakers membership would be required past June.

Dave reported that the Events Committee would have a report by the next meeting.

PLANE OF THE MONTH

Don Rawnsley brought in a Goldberg Eagle II that he had built as an electric. The plane was powered by an E-Flite 46 and Don said he didn't make any changes to the plane other than those required for the electric conversion. Don took the honors for plane of the month.

John Leeman brought in a trainer on skis. He has been flying it all winter.

FUEL RAFFLE

The winners were Bruce Morse and Bob Mangan

Respectfully submitted
Mac McLaughlin, Secretary

NOTE:

The membership cards are printed and will be available at the February meeting.
