**Visit the club web site at:**

**[www.skystreakers.org](http://www.skystreakers.org)**

**As** you may have read in the last Newsletter, Rosalie and Dave Marin have decided to hanger their planes for now and have resigned from their club officer roles. I offered to them the possibility of leaving right away instead of waiting until year's end. I made the offer to respect their reasons for their decision. They accepted the offer and are concentrating on their family. I totally support their dedication and commitment to their family and would do the same thing if roles were reversed. Please join me in wishing them luck and keeping them in our prayers.

**Now**, we need some volunteers to accept appointments to the open positions to get us to the end of the year and fall elections. Dave Edwards has all the Secretary materials as well as the video library and will bring the stuff to the next meeting on July 12, 2006 at the field in New Gloucester, 7 PM. If you can help with open positions, it would be greatly appreciated.

**2006 SKY STREAKERS EVENTS CALENDAR**

August 25, 26, & 27 State of Maine Scale Shootout

CD is Ray Labonte [havefun@mainehobbies.com](mailto:havefun@mainehobbies.com)

September 16 & 17 IMAC Challenge

CD is Tom Chabot [tchabot@transformitdesign.com](mailto:tchabot@transformitdesign.com)

**There** are no minutes from the last meeting. It was a wet rainy day and nobody showed up at the field for the meeting. There is usually little or no critical business to deal with during the summer but this coming meeting is different. Try to make it to the next one if you can and help figure out what we want to do about the open positions, newsletter, etc.

Today is Wed. July 5 and I stopped by the field to check in on my way home. I have to tell you that it was a beautiful evening to be training. The weather was about perfect. Almost no wind and just the right temperature and hardly a biting insect to be found made it just one of those days you wish you had many more of. Let's hope for a summer full of them.

See you at the next meeting,

Nelson Frost,  
President, Skystreakers R/C Club

Carla or Eric,  
Does the field need any  
bush hogging this year?  
If so, let Nelson know.

Carry in, Carry out! We have one of the nicest places to fly anywhere  
around. Let's be proud of it and keep it clean...
