

## SKYSTREAKERS MINUTES

October 13, 2011

Meeting opened at 7:00PM by Jackson

Treasurers report Accepted, Last year we ended with \$1344.87, this year \$1036.23. Carl mentioned that he had the proceeds from the Scale Shootout in one of his moving boxes of approximately \$1000.00. Will give it to the treasurer as soon as he unpacks all his stuff and locates it. Justin said some money left over from racing funds; approximately \$20.00 will also go into the treasury.

Old business: None

New Business:

Portable toilet discussed, suggested relocation closer to shelter. Motion made and passed to move it next year.

Justin offered his thanks to all who worked and supported the successful races this season.

Tim Berube will take over the Training function from Steve Nason and Joe Pobe was suggested by Charlie to take over the Safety slot.

Discussion Re: moving the benches further back next year, nothing finalized.

Charlie brought up the need for the club's historical VHS tapes and Data he currently has in his possession to find a home and possibly put the tapes on DVD's. Heyner said the club needs a Historical committee consisting of a Chair and two others to make sure the stuff is properly cared for and available to club members.

Discussion Re: the club Web Site led by Justin to make it more user friendly. We currently pay \$200.00 per year to maintain the Web, nothing finalized.

Carl asked for the name of the guy that lost the yellow plane in the trees or ask him to call Carl.

Club members need to keep an eye open for strangers, (possibly non-members), not trained, With No AMA #, flying at the field. All can affect our insurance.

Dave Field suggested that a club book consisting of training information and an outline of what a student might expect to be put together for the next raining season. Charlie mentioned that in the training materials there is a huge amount of good information already that could be useful for a new document. Dave volunteered to generate the training document.

Charlie volunteered to make arrangements to acquire the grill for the open house next year. Carl mentioned a possible charity benefit fly in next year. Camp Sunshine was brought up again as a possible float fly at their facility or flying at our field. Justin said Fun Fly was successful but we should start planning earlier with more intensive advertising.

Heyner suggested that we all know what a Fun Fly and Open House is, but the public doesn't have a clue. We should call it a "Radio Control Model Aircraft Demonstration Day," with flying available for novices, when we advertise.

A Winter Fly In at Skystreaker Field was discussed. January 7, 2012 was decided by all to be the actual Date. The 8<sup>th</sup> will be the snow date if necessary. Jeff Linscott volunteered to plow the road for the Fly In. The event will be subject to Waterman approval based on the road condition existing at the time.

Andrew won the 50/50 raffle in the amount of \$20.00 and he donated the \$20.00 to the club.
