

The Meeting ; we had 14 members. (three including the officers). Not a great attendance.

The Sec. and Tres. reports were read and to everyone's surprise 😲 all was acceptable

1. An amendment to the FLYING SITE SAFETY AND OPERATIONAL RULES document was voted and approved to require all club members who fly to have both an AMA and a FAA membership. Every aircraft should have identification numbers attached to their aircraft.

2 Eric Guilmet talked to the group about obtaining an in-door flying site, and also did some flying in the basement of the hobby shop. He stated that he would be looking for a site and if anyone knew of a spot , let him know.

3. Ray Labonte stated that he will be holding a Jet rally at the Sanford Airport this coming summer, and told us about the Ace of Aces scale event that he is involved in at the Joe Nall site in S C. (similar to the old Top Gun event)

4. Most **important**. Bill Reeve, Eric Guilmet and Ron Wallingford all brought DONUTS
We had a least 3 dozen...

Pres. Dave stated that the next meeting will be in February, same place , same time.
