

## **February Business Meeting Notes**

10 members showed up including two officers,

The President opened the meeting at 9:30A.M. and read the brief treasurers report showing January income of \$ 497.00 and expense of 314.00 comprised of Web hosting and AMA charter renewal.

### **The President read the Secretary's Report. (Inserted as follows:)** .

#### February 2026 Secretary's Report

The application papers for the club's charter, #1165, and flying site insurance 2026 renewals have been submitted to the AMA. Expect to hear back from them sometime in March.

Sky Streakers club membership renewals, that are due January 1<sup>st</sup>. of each year have been slow this year. This has always been an issue, but it seems to be worse this year. I blame it partially on having a more severe winter than in the last few years, with the forecasters tripping over each other in their rush to write or broadcast about "IMPACT Weather", Bomb Cyclones, record windchills, and hazardous driving conditions.

In various years, the club has tried different methods to have members pay in a more timely manner, But with little IMPACT.

Last year ended with 78 members.

Currently there are 38 members renewed, 2 members partially renewed, and 1 youth member pending AMA verification.

If you have any ideas for enhancing the renewal process, please share.  
(End of insert.)

Members commented that perhaps we could get more dues paid by offering some discount for early payment or perhaps a fine of not paying in a timely manner .( No motion was made)

**Brian Prescott has volunteered to be the head instructor for the flight**

**school. A meeting is scheduled for all interested In participating, Saturday March 14 right after the club meeting.**
