

The meeting report from President David Skillings is as follows:

We had 17 members attending

The Sanford Jet rally has been postponed until next year, issues get approvals

Our Open house has been expanded to two days June 6 and 7 th and setup on the 5th .
Ray will try and get some of the Jet Rally guys to show up.

Members talked about attending the Owls Head model display in April , details on our web site., it appears that a few of our members will be attending.

Brian Prescott. Talked to the group about organizing the Training program for this season , beginners manual is being re written and we will have a number printed up as handouts. Brian is doing an excellent job .

Waterman and Snowman will be working on the field and roadway as soon as the snow goes away., will be renting a large and heavy roller to smooth out everything , “so no one will be bouncing around on landing”
